

Halloween Celebration

Friday, October 30, 2015

We will celebrate Halloween on Friday, Oct. 30 with a class party of snacks and a movie. I am looking for donations of water, pretzels, cheese and crackers, or any other healthy snack that we may enjoy during our party time.

If you would like to send in a "not-so-healthy" snack, please know that they will be sent home at the end of the party. As always, all items sent in must be prepackaged and not contain peanuts or made in a factory that processes peanuts.

Students may have a free dress down and wear Halloween colors, (orange, black, purple, and green). No face paint or costumes please.

Thank you,
Mrs. B
